Your group is not on the list, possibly due to one of the following reasons:

1. We had an earlier consultation, and I deemed your progress satisfactory.
2. You have not received clearance from your instructor to proceed with data collection.
3. Your application for ethical clearance to be reviewed by your course instructor was submitted late.
4. I am your Technical Adviser.
5. I am currently focusing on your thesis and exploring alternative procedures, so I am not available to engage in discussions with your group at this time.

Note: Not all members are required to attend. However, if only one representative is sent, please ensure they are fully capable of addressing all of my queries. Please, be on time.
